Other Candidates

To help you join the most feared army in the world ... the Army of Informed Voters ... here are links to the major Party candidates' websites. I would encourage you to compare and contrast their proposed solutions with mine. As always, you should ask if their positions are congruent with the vision and mission of the *Constitution* and with the values of the Declaration of Independence. You may also want to measure them with [The Freedom Process](#).

Visit [Solutions](#) and the [Discussion Library](#) to compare and contrast my positions with those of the other candidates. Also, pay close attention to whether the words you are reading are those of the candidate ... or whether they appear to have been written by a member of the candidate's staff. You have the *right* and the *need* to know what a candidate believes, so that you can make an informed decision. Please know that the words that appear in this website are *mine*. You may not always agree with my positions, but at least you *truly* know where I stand.
