THE TIME HAS COME FOR A NEW POLITICAL PARADIGM

Participate

THIS CAMPAIGN is all about *you* and the Country we can build together. It doesn't matter whether you consider yourself to be a Conservative, a Liberal, or an Independent. It only matters that you care.

It's time to rebuild America, and the first step is to create a more informed electorate.

The traditional political establishment spends an enormous amount of time and money on blatantly-biased campaign ads and literature to sway your opinion; it kills a forest full of trees to create billboards, bumper stickers and lawn signs in hopes that you'll cast your vote on name recognition alone; it preys upon confusion and fear, so that some people will simply vote for a candidate because of the the letter that appears after his or her name. You should be *insulted!*

You deserve better. You deserve to be provided with *substantive* information: information that would allow you to make a more informed decision; information that would allow you to clearly identify the best candidate, with the best ideas, and the best leadership skills ... and *everyone* you know deserves this same level of respect.

It's time to rebuild America, and *you* have the ability to have a *real* impact. By sharing our links, blogging about this campaign, or commenting on articles or blogs that are written about this campaign (and sharing them with others), you can help bring *real* information to *real* people. It's called: *Freedom of Speech!*

Vote Your Conscience

If you have the courage to vote your conscience rather than surrendering to the fear the Parties always try to establish (*i.e.*, the need to "vote for the lesser of two evils"), I would be honored to receive your write-in vote if your State stills allows you to enjoy that Liberty (eight States no longer do).

The best way to enter my name is in its entirety: **TERRANCE JAMES O'HARA.**

"Vote" for me at [We Want You](#) to help force the media to "pay attention." We Want You is a politically neutral community where you can make your voice heard without mainstream media bias or political Party posturing. Cast your vote solely on the basis of whom you believe offers the best leadership and solutions for our country rather than who has the most money or Party support. It is a venue in which you can finally vote your conscience in a way that places substance over form.

QUESTION OF THE DAY: Do you focus on the concept of income tax, or do you recognize all forms of taxation?

"The most insidious tax is the 'Ignorance Tax'... the debt, fines, fees and inflation created by Government that voters seem to ignore."
